Sir:

Applicants hereby submit four (4) sheets of corrected formal drawing including Figs. 1-9 to replace the originally filed drawings in the above-identified application. Briefly, Fig. 5 has been amended by extending a lead line for element 10 to extend within the insert 15 so that element 15 and element 10 are clearly and accurately identified. Fig. 4 is amended by properly pointing the lead line at element 30. These amendments were presented on June 3, 2003, and have been approved by the Examiner.

No objection has been raised by the Office Draftsperson. It is believed that all the formal drawings including corrected Figs. 4 and 5 have fulfilled the requirements by the Examiner and Draftsperson. Approval of the formal drawings is respectfully requested.

No fee is due by this filing. However, for any reason, if a fee is due, the Commissioner is authorized to charge the fee to Deposit Account No. 13-4503, Order No. 1948-4767.

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.
